TRANSMITTAL OF FORMAL DRAWINGS

Sir:

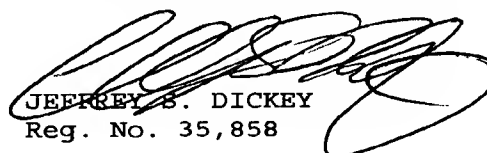

Enclosed herewith are replacement sheets of formal drawings for filing in connection with the above-identified application. Although Applicant paid the issue fee on August 3, 2006, and although the drawings as currently filed are acceptable, Applicant respectfully requests that the originally submitted drawings be replaced with the attached substitute drawings.

The substitute drawings add no new subject matter, but rather replace the original hand-drawn lines and different fonts with computer-drawn lines and consistent fonts. Applicant accordingly requests that the issued patent include the substitute drawings.

In the event there are any fees due and owing in connection with this matter, please charge same to our Deposit Account No. 12-1095.

Respectfully submitted,
